Hall of Fame Selection Committee
Oakland High School
1023 MacArthur Blvd
Oakland, CA 94610

The purpose of the Hall of Fame is to honor those Alumni who have gone on to significant success in life as well as those who have made contributions to Oakland High School and the community. Individuals inducted will be recognized as successful individuals at Oakland High School. Their success is a reflection of the opportunities provided and given to them through participation in the academics, arts, and other programs offered at Oakland High School.

Criteria considered for selection includes secondary and post-secondary achievements, professional or lifetime achievements, recommendations, as well as community involvement. Although high school performance is important, it is not a determining factor for induction. The committee shall consider nominated individuals who successfully unite noteworthy accomplishments in school and life. Nominees must have attended or graduated at least ten (10) years before being considered for the Hall of Fame.

A nominee who is not an alumni, must be an individual (i.e., teacher, administrator, coach, advisor etc.) who through hard work, dedication, and leadership over the years, has made a significant contribution to the success of Oakland High School and/or the Oakland School District. Employees will be considered as candidates only five (5) years after ending service with Oakland High School.
